SUBSEA FORUM CALL FOR SPEAKERS

AOG in conjunction with the Society for Underwater Technology, Subsea Energy Australia and Subsea UK are seeking abstract submissions for presentations to be considered for the AOG 2018 Conference - Subsea Forum.

POSITIONING FOR GROWTH

Under the theme "Positioning for Growth" the AOG 2018 Subsea Forum will explore how Australia's industry will ready itself for the next wave of projects. In addition to the usual range of subsea topics, the Committee invites you to share your story, experience and lessons learnt in these key areas:

TOPICS

We are seeking both technical and commercial submissions on the following topics:

- Preparing Australia's Subsea Industry for the next wave
- Local and Emerging Markets Update
- Predictive Inspection, Maintenance and Data Analytics
- Riserless Light Well Intervention
- Autonomous Inspection and Operations
- Other topics such as System Design, Extension, Decommissioning, Pipelines ...

EVALUATION CRITERIA

- Submissions referring to case studies will be highly regarded.
- Prior to submission, company and joint venture clearance must be obtained. Any perceived problems concerning clearance should be outlined when the paper proposal is submitted.
- Ideally your submission will not have been presented before and should contain new information.

Thanks to the generosity of our hosts and sponsors, delegate attendance will be complimentary.

Submissions are due by Friday 8 September via aogexpo.com.au/call-for-speakers

Queries can be directed to the Submission Coordinator by email at aog@divevents.com.au
